Frontline Applications

Frontline ERP & SIS (formerly TEAMS):
This is the system for Student and HR/Business information processing.
Use for clocking in and out (including viewing last 8 punches), taking student attendance & viewing student info. Entry Points are specific to your role.

ERP & SIS

- -
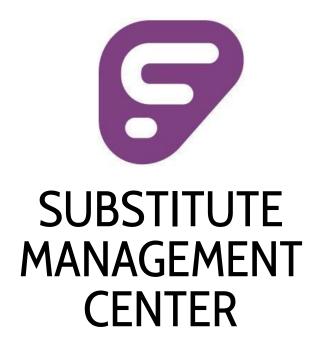

Frontline Employee Service Center (ESC):
Access the ESC to view timecards, enter absences, add notes to timecards and absences, view pay information including paystubs, direct deposit, W4, etc.

ESC

- -

Frontline Solutions:
Includes access to the following solutions: Central* (all staff), Recruiting & Hiring and Special Education & Intervention V3 (access is based on role).

*Frontline Central allows staff to electronically submit some of the district HR/Business Office forms, for example, missed punch form, W4, direct deposit, check requests & more.

SOLUTIONS

- -

Frontline Substitute Management Center:
For substitute use only, this application allows substitutes to view and accept available substitute jobs, update their availibility, view past sub jobs and view timecards.
